

Save The Heart Of Someone You Love!

Green Organics Cardio Extreme is based on a Nobel Prize winning medical breakthrough that some consider to be one of the most important advancements of the last 50 years in the fight to naturally lower high blood pressure, stroke, high cholesterol, heart attack and sex drive loss!

It is now known that people who have high blood pressure or high cholesterol are the most likely to be deficient in a life saving molecule known as Nitric Oxide. Incredibly, by simply taking the right combination of L-arginine and L-citrulline, it's very easy to reverse this deficiency, thus reducing the risk of heart attack and stroke.

- **1. What is Cardio Extreme?**

Green Organics Cardio Extreme is a blend of the amino acids L-arginine and L-citrulline that cause increased production levels of Nitric Oxide (NO) in the body. The efficacy of L-arginine & L-citrulline in the cardiovascular system have been validated by many scientific clinical studies.

- **2. What are the active ingredients in Cardio Extreme?**

Key ingredients include L-arginine, L-citrulline, Folic Acid, Vitamin B6, Vitamin B12, Vitamin K, and Vitamin D plus 72 trace minerals.

- **3. Is Cardio Extreme safe to use?**

The ingredients in Cardio Extreme have a history of safe use. As with any dietary supplement, when being treated for a medical condition, always consult with your health care provider regarding your use of Cardio Extreme.
